Three Tree Point Yacht Club, Des Moines Marina and Poverty Bay Sail and Power Squadron are sponsoring the 5th Annual MidSound Summer Social. The evening of casual racing, socializing, light meal and refreshments on the dock, and prize awards will be held on six consecutive Thursdays - July 8 and ending on August 12. All are invited to participate in the on-the-water racing in cruiser, beginner and competitive abilities. Boat owners who are not yacht club members are definitely invited. There is no racing entry fee. Participants are encouraged to come to as many nights as they can. Each evening, on and off the water has an entertaining theme. A special evening for power yachts will be August 5th. Visit www.ttpyc.org/MidSoundSocial.html for a registration form and details. Due to the generous donations from our major sponsors, we will be providing light meal following the races. Donated prizes for the drawing to be held each evening have also been donated by local businesses.

Besides the fun and camaraderie, this philanthropic event will be fundraising for Hospitality House and the Des Moines Food Bank. The individual goal is to raise \$8,000 which will support four women through their three month program at Hospitality House. The goal for Des Moines Food Bank is to fill two vans with food.
