Sailing Instructions: There will be two starts

The first start will be the **Racing Class** and this class will race under the Racing Rules of US Sailing. Any amendments to these rules are noted below.

The second start will be the **Relaxed Class**. This class will race under the rule that you are on the course to have fun and enjoy the evening. All communication between boats should be positive and friendly. This class will race under the Relaxed Rules stated below.

Relaxed Rules of Sailing

1. The primary rule is that we are on the water to have a fun evening of sailing.
2. Contact with another vessel will be avoided at all times.
3. On opposite tacks or gibes, the boat on starboard tack shall have right of way.
4. Slower boats shall allow faster boats to pass either to windward or to leeward. No luffing.
5. Allow the inside boat room when rounding a mark.

Entry: Everyone is welcome. You may enter by filling out the form below. This would help the event committee know how many people to expect for food and refreshment. There will also be a form posted at the Three Tree Point Yacht Club bulletin board in front of Anthony's. Late entries may contact the Mid-Sound Social Race Committee by VHF Channel 72 on the day of the event just prior to the start.

Classes: The Racing Class will be made up of those who have racing experience. These participants will probably start more aggressively. The Relaxed Class is recommended for all others.

Course: The course will use the existing Three Tree Point permanent buoys north, south and in front of the Des Moines Marina. See map at right. The course will start in a southerly direction with a south wind and in a northerly direction for a north wind. The course will be the same each week but started in the direction of the wind. For a northerly start the marks will be rounded to port. A southerly course the marks will be rounded to starboard. The Race committee will display Green placard for a southerly start and a Red placard for a northerly start.

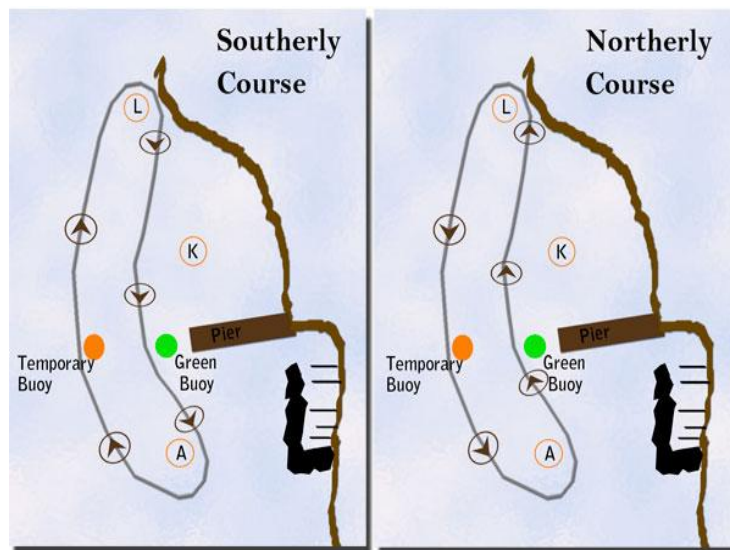

Start/Finish Line: The start and finish will be off the fishing pier between the green entrance buoy and a temporary orange inflatable mark set to the west of the entrance buoy.

Starting System: will be a Sound Signal Starting System.
The sequence will start at 6:50 pm.- first start will be 7:00 pm.

Signal	Sound	Time before start
Warning	1 Long	10 minutes
Preparatory	1 Long	5 minutes
Racing Class	1 Long	
Relaxed Class	1 Long	5 minutes after first start

Time Limit: is one hour and thirty minutes from each start.

To qualify for the prize drawing each boat must complete the course. If a boat feels that they cannot finish by sailing then they may turn on their engine and motor around the course to complete the course. **Light or No Wind:** No race will be cancelled. If there is no wind, use your engine to complete the course.

**ENTRY FORM, PLEASE FILL IN, SIGN AND RETURN TO:
TTPYC/MIDSOUND SUMMER SOCIAL P.O. BOX 98700/ DES MOINES WA 98198**
