The Barnacle

Commodore's Corner

Doug Andrews

This certainly is not what I expected when I signed on to be Three Tree Point's Commodore for 2020. I was so looking forward to participating in all our fun events, our cruises, socials, races, the Mid Sound Summer Solstice, maybe the TYC Daffodil Parade, the Seattle Yacht Clubs opening day and the opening of the South Sound. This list doesn't include the Crown Jewel of events this year, sending our own Tom Hubbard off on his around the world Clipper Race. It was going to be an exciting year for our club and for Sharon and I.

Yes, some events have been postponed or cancelled and our lives are different than we thought they would be just a short time ago. These are difficult times; however, I personally am grateful for living here in the Pacific NW on beautiful of Puget Sound and being able to escape to the boat when I need a change of pace.

I know Dan and Kim are disappointed in the cancellation of the Crab Cruise and are hoping this will pass soon enough to safely be able to do some of our later cruises.

Janet and Daphne are in limbo trying to plan for socials.

The Race Committee is canceling the spring series, hoping not to lose the entire season.

Sharon and I are trying to focus on all we have to be thankful for, each other, family and our friends and trying to stay connected safely via phone, text, email or

any other means we may have. We will all get through these difficult times together. Stay safe and hopefully, safely, we will see each other again soon.

Editor's Note: While we are all stuck homebound, I will be happy to share humorous, encouraging photos, links, etc. I will publish a mid-month newsletter with just fun things to keep us connected and cheer us up. Send your suggestions to K6352@aol.com. And enjoy this sample submitted by Janet and Steve Sisson.

Looking through my letter from last month it is amazing how much the world has changed in 30 days. With most aspects of our lives on hold it is no surprise how it is upsetting our boating world. The two primary Canadian races, Southern Straits and Swiftsure have been cancelled. The Clipper Round the World Race has been postponed for one year (sorry Tom). Most if not all local races have been cancelled, including the TTPYC Early Spring Series.

April 2020

The final race of the South Sound Series was run on March 14th with strong winds and little rain. Only 24 boats finished due to the wind strength and building concern about the virus. Three TTPYC boats finish with good results:

Nimbus	1 st in class / 1 st overall
Cherokee	2 nd in class / 4 th overall
Equus	2 nd in class / 6 th overall

These are also the three boats on the TTPYC team and for the third time out of the past four years we won the team trophy:

TTPYC	105 points
SSSS	171 points
CYCT1	173 points
CYCT2	252 points

With the Early Spring Series cancelled the next local racing opportunity is the TTPYC Late Spring Series starting on Thursday 5/7. If it happens, we will volunteer Equus as the committee boat. Depending on interest we could turn it into a fun race to convince everyone to get out of the house and get on their boat even with just two people.

Hopefully life can begin to start returning to normal in May as the weather improves. We all need to get outside and breath some fresh air. Be safe and hope to see you out on the water soon.

We are working on the summer and fall cruising schedule. It looks like we will go to Bremerton July 1th and 11th, Arabellas for Labor Day and maybe Brownsville. Of course, all plans are tentative at this point. Watch for more information in the May Barnacle.

To get or share important club-related news, use our Facebook account. And be sure and check regularly for updates between Barnacles.

To post on Facebook, go to Facebook.com and, in the search box on the upper left side, search on **Three Tree Point Yacht Club**. When the results come up, by clicking on the club name next to the burgee you will be taken to the home page. In the home page menu, click on "Posts", and there will be a box that says "Write a post..." You can type something, or add a photo or video that is on whatever device that you are working on. Smart phones may look slightly different depending on the phone type, but the concept is the same. I would also encourage you to explore the site. You may get lost (sometimes I do) but it's a good way to learn what is there. Ready, set, POST!
